ANNOUNCEMENT

Product Update: MAXON Parts/Maintenance Manuals No Longer Included with Gate Shipments - Information Accessible via Website

Dear Maxon Distributor –

As a result of Maxon's e-portal launch back in September of last year, we will discontinue to send hard copies of our Parts/Maintenance Manuals with future gate shipments.

For your convenience, these manuals are easily accessible via our website at www.maxonlift.com.

Additionally, parts can be easily identified and ordered via our [e-portal](#). This approach will enable quicker access to gate information at a moment's notice.

Thanks for supporting Maxon Liftgates.

For more information on product updates, please contact Customer Service at (800) 227-4116 or visit us at www.maxonlift.com.

Note: this messaging only pertains to the Parts/Maintenance manuals. It does not pertain to the Installation or Operations manuals.
